

Human Design and the Eclipses

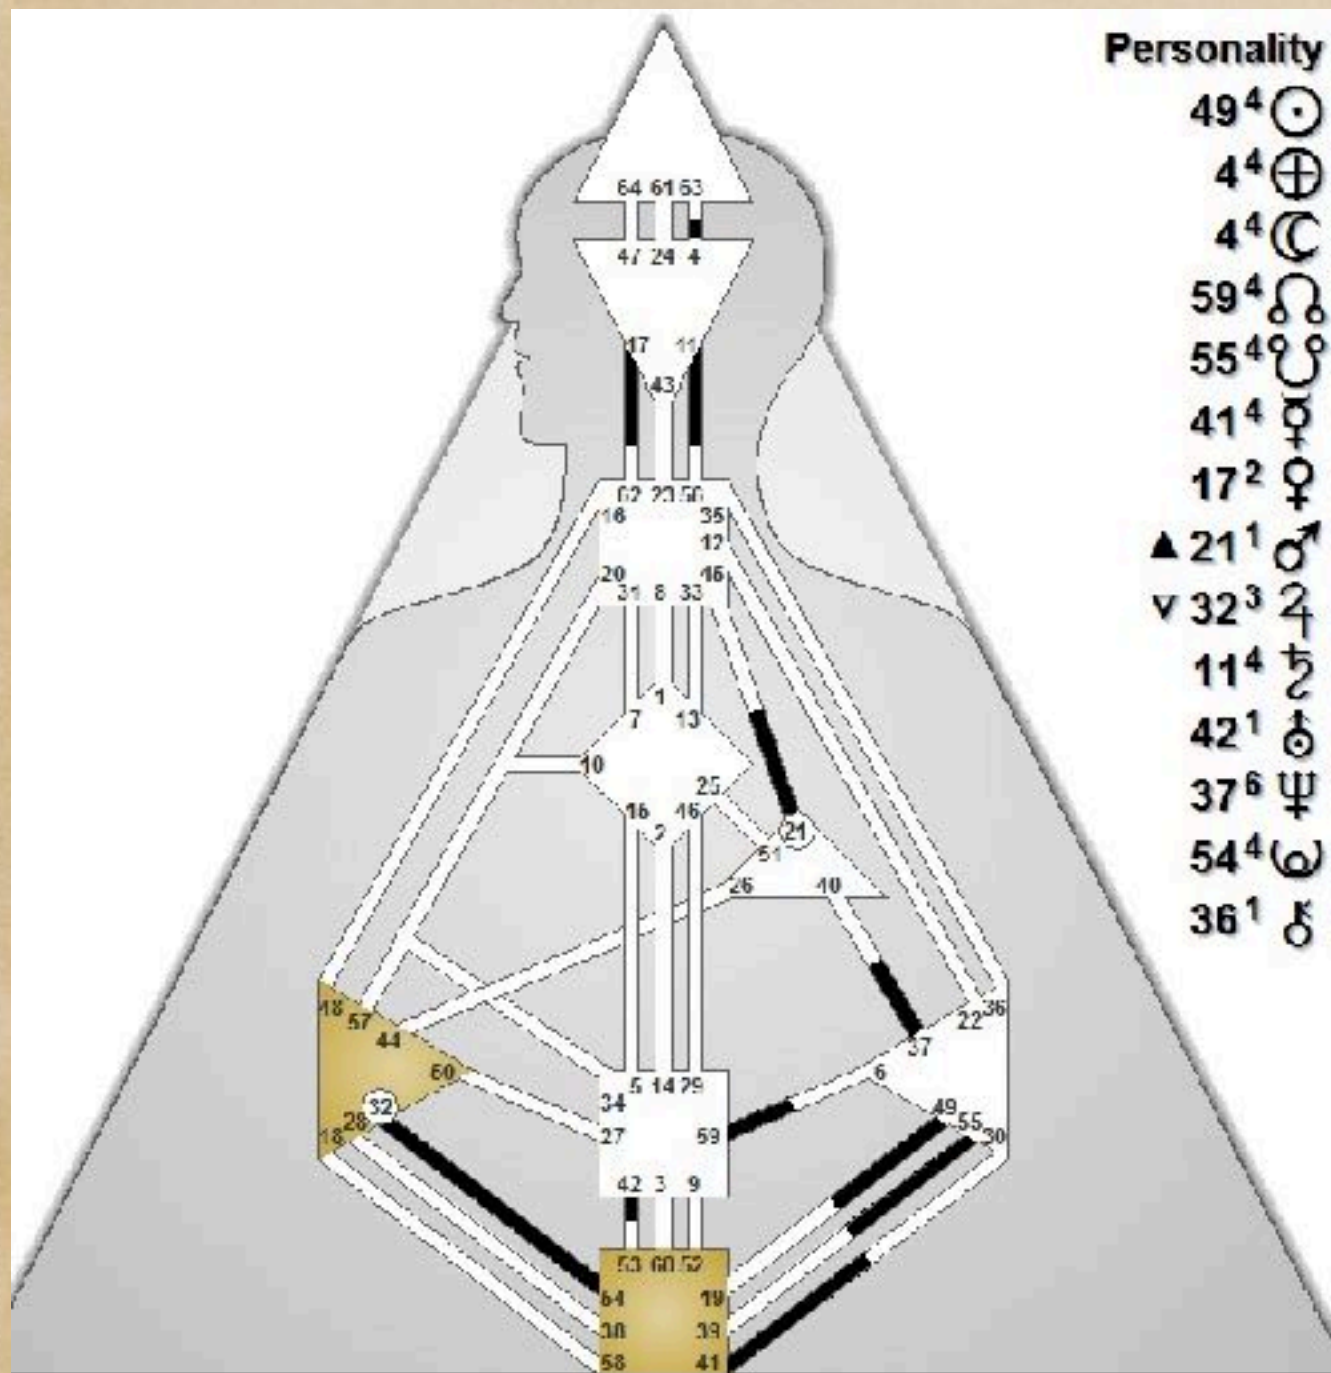

February Full Moon Eclipse

February 11, 2017

Knowing the right timing for
Stirring the pot or walking
Away.

Step back and objectively
Review your situation. What
Have you not said, that
needs to be said?

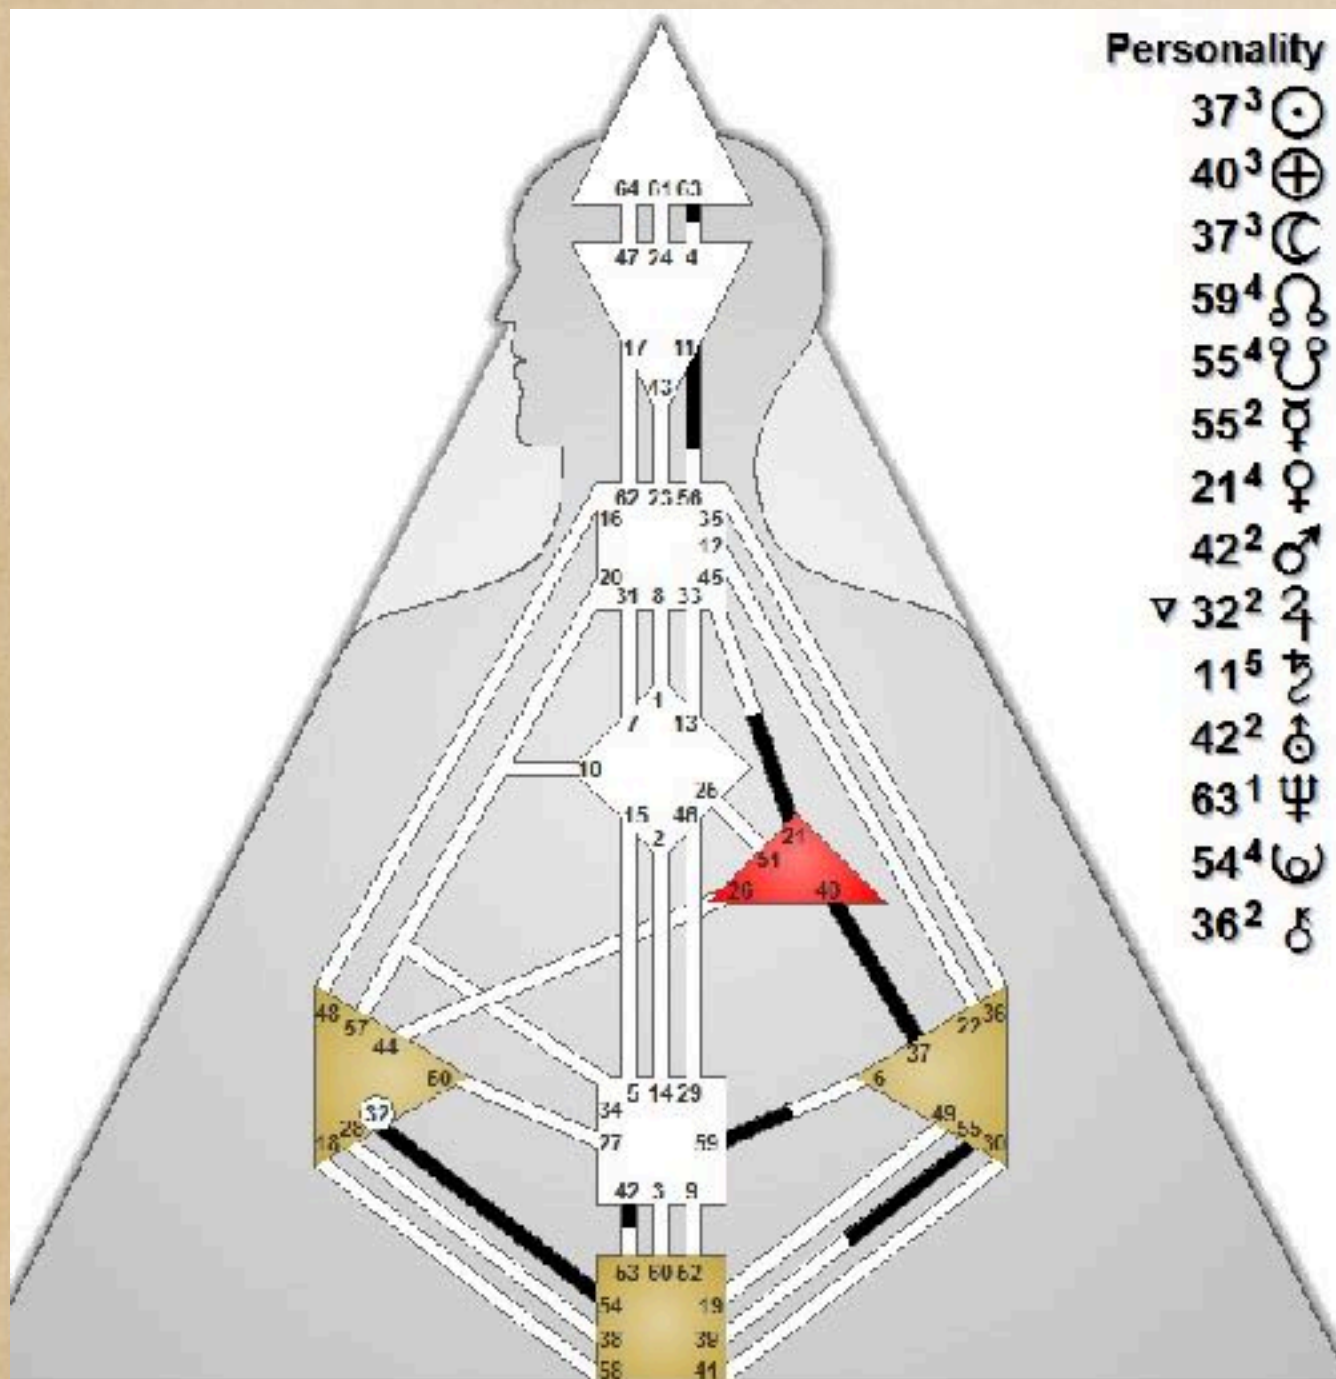

February New Moon Eclipse

February 26, 2017

Inner peace and harmony,
Balancing belonging with
Being alone and
independent.

What do you give up in
order to feel like you
belong and have value?

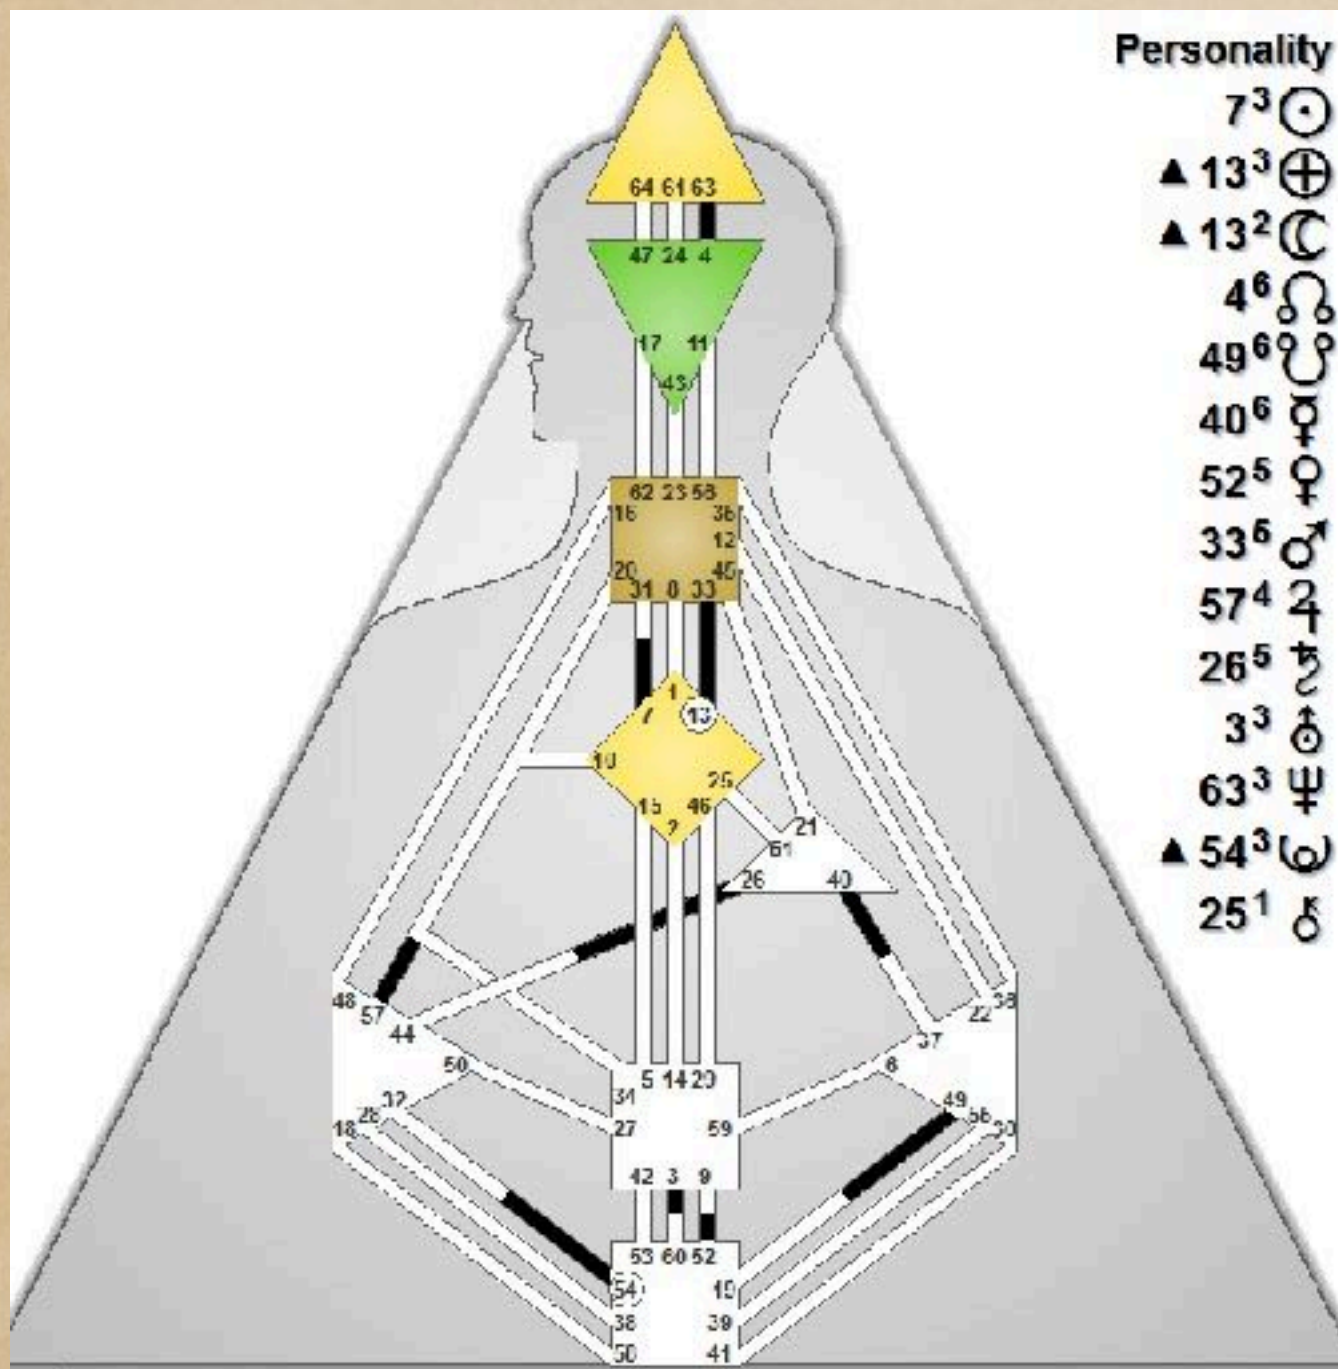

August Full Moon Eclipse

August 7, 2017

Activating democratic
Leadership

Can you forgive others and
Listen with an open heart to
Their wisdom?

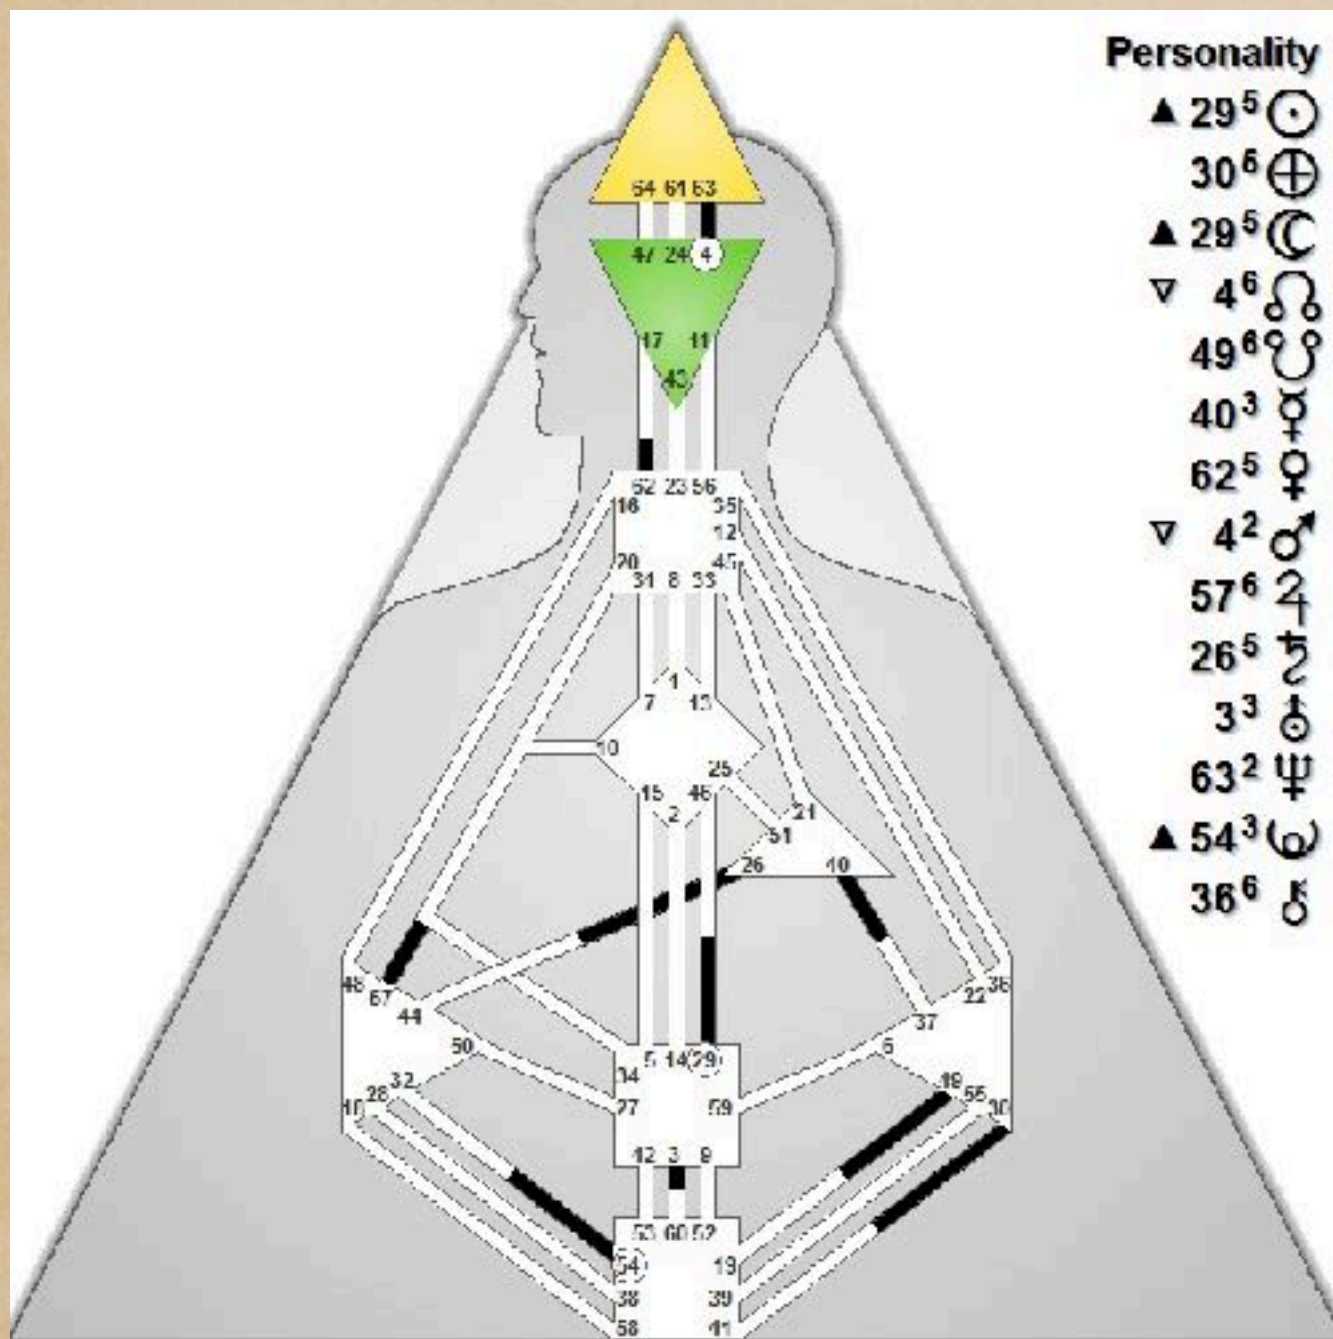

August New Moon Eclipse

August 21, 2017

Amplifies new beginnings and
innovation in playful, fun
ways.

Use your imagination. What
would your life be like if
your dreams became a
reality?

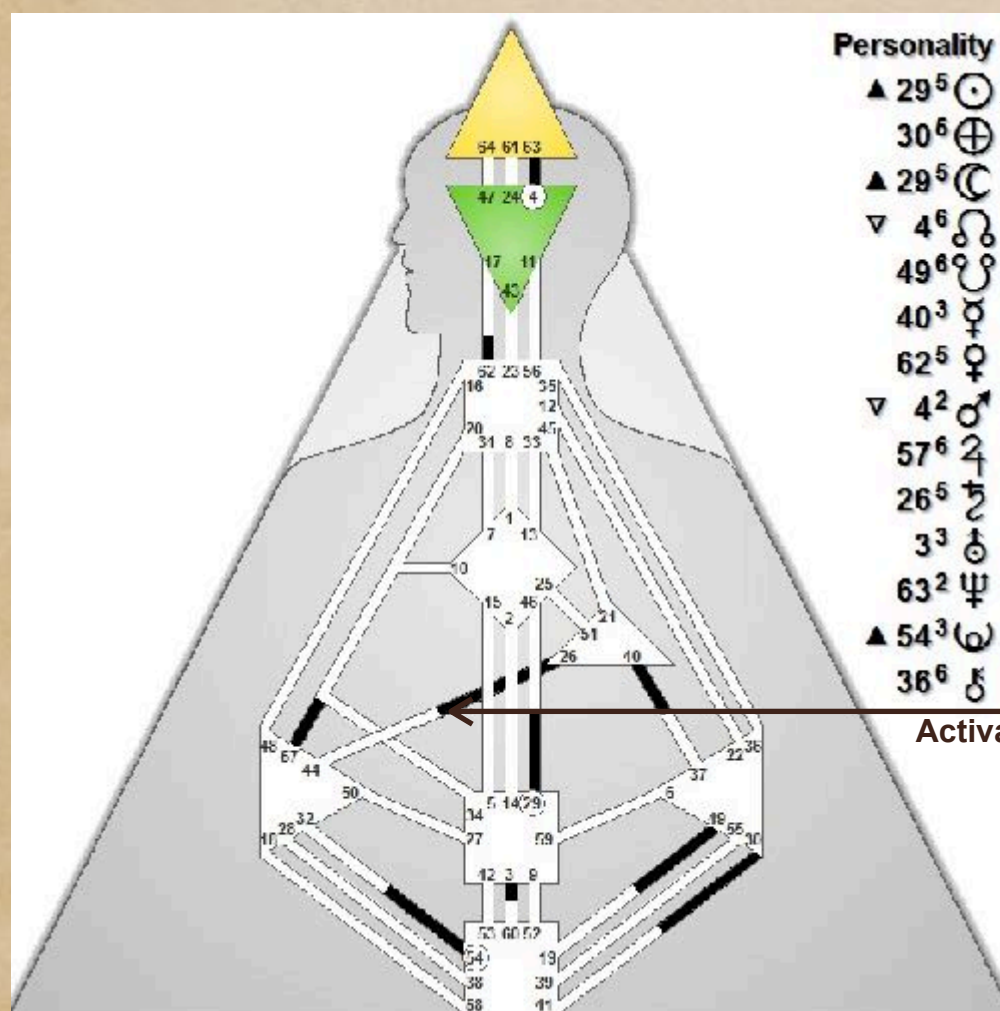

How are you affected by the eclipses?

Compare the gates and channels in the transit chart with your chart. Notice if the transiting gate completes a channel in your chart.

Contemplation:

- ◆ Eclipses create effects that last for a year and if any of your natal planets are aspected, you can be affected up to 2 years.
- ◆ Are any of the transiting gates affecting the gates and channels in your birth chart? Do the transiting gates temporarily define channels and centers in your chart?
- ◆ What themes are activated and playing out for you?
